

Mission Statement

At Oak Grove Montessori School our mission is to nurture and guide the whole child to become an independent, responsible learner.

Core Values

- We embrace all learning styles and believe that with the right conditions all children can be successful learners
- We believe in fostering independence, responsibility, motivation, and collaboration in all members of our community: faculty, staff, students, and parents
- We believe emotional wellness, which includes respect of self and others, honesty, tolerance, compassion, kindness, and empathy is the foundation for academic achievement
- We believe in being good stewards of all of our assets from natural and financial resources to gifts of time and talent
- We believe in providing an authentic Montessori program developed from the characteristics of AMS best practices
